

TOPIC

In history, Oak will be learning all about the Vikings! Throughout their learning, they will seek to answer the question: 'were the Vikings raiders or settlers?'

ART/DT

Oak will be exploring structures this half-term where they will design five apparatus designs, applying the design criteria to their physical work.

COMPUTING

In computing, the children will be learning how to create media, specifically the introduction to vector graphics.

PSHE

Our PSHE topic this term focuses on safety and the changing body. As part of this, Oak will conduct a primary survey place a casualty who is unresponsive and breathing normally into the recovery position and know when to give CPR.

ENGLISH

For our narrative this term, we are exploring Beowulf by Michael Morpurgo. Our non-narrative explores information text by the National Geographic relating to the Vikings followed by our poetry unit which investigates Old Norse by Kenning.

MATHS

The term will begin with shape and geometry. Following this, Oak will undertake themed projects, consolidation and problem solving activities.

RE

In RE, Oak will explore Gospel within the Big Frieze to ultimately answer the question: 'what would Jesus do?'

OAK

Summer One

CURRICULUM OVERVIEW

SCIENCE

In science, we are exploring living things, specifically evolution and inheritance. We will recall what evolution is, identify differences between a living thing and its ancestor and describe key steps in the evolution of a species as well as recall different types of evidence.

MUSIC

In music, Oak will be exploring baroque by playing several parts of a canon using staff notation, compose a ground bass melodic ostinato and create a ground bass and perform a fugue.

FRENCH

Our French topic focuses on the French speaking world. We will use prompts to ask and answer necessary questions to complete information on a passport, form directional phrases and read a range of sentences including directions.

PE

The topics for PE this half-term are learning all about rounders and cricket!

WIDER CURRICULUM

Oak will visit the Jorvik Centre.
