

TOPIC

In geography, Oak will be learning all about the deserts! Throughout their learning, they will seek to answer the question: 'would you like to live in a desert?'

ART/DT

Oak will be exploring sculptures this half-term where they will successfully translate plans to 3D structures that demonstrate experimentation, originality and technical competence.

COMPUTING

In computing, the children will be learning all about programming, specifically selection quizzes.

PSHE

Our PSHE topic this term focuses on safety and the changing body. As part of this, Oak will conduct a primary survey place a casualty who is unresponsive and breathing normally into the recovery position and know when to give CPR.

ENGLISH

For our narrative this term, we are exploring Holes by Louis Sachar. Our non-narrative focuses on Hidden Figures by Margot Lee Shetterley. We will finish the term with our poetry unit where we will investigate Talking Poetry by Jackie Kay.

MATHS

Oak will continue to undertake themed projects, consolidation and problem solving activities.

RE

In RE, Oak will explore People of God within the Big Frieze to ultimately answer the question: 'how can following God bring freedom and justice?'

OAK

Summer Two

CURRICULUM OVERVIEW

SCIENCE

In science, we will be consolidating our learning with our making connections unit. This unit draws on all learning undertaken throughout the year, allowing the children to form connections between them.

MUSIC

Oak will be exploring musical theatre. Oak will understand what musical theatre is by being able to recall at least three features of this kind of music and perform with smooth transitions between spoken dialogue, singing and dancing.

FRENCH

Our French topic focuses on planning a French holiday. Oak will begin to understand the present and future tense of 'aller' in French, identify the present and future tenses in reading and listening and recognise words and cognates.

PE

The topics for PE this half-term are learning all about athletics and tennis. We will also be practising for our sports day!

WIDER CURRICULUM

This term, Oak will enjoy their residential!
