

## Science

By exploring light and shadows, class two will learn about light and non-light sources, what happens when light reflects and identify patterns between groups of materials and the shadows they produce.

## English

Our narrative for this term is Escape from Pompeii, which is a story set in Ancient Italy during the famous volcanic eruption. The children will use this text to learn about how to write effective story endings. They will then use the text Earth Shattering Events to help them to write newspaper articles about this famous event. Finally we will look at Haikus in poetry, which are short, three line-poems originating in Japan, which focus on nature.

## P.E

In PE this term, Class Two will learn the skills needed to compete in different athletics competitions. They will also be learning how to play cricket.

## R.E

For this term, Class Two will be considering what kind of world Jesus wanted through the Gospel section of the Big Frieze.

## Maths

In Maths this term, Class Two will deepen their understanding of Time, mShape and Statistics. They will also continue to increase their arithmetic fluency through our daily Fluent in Five activities.

Mary Howard St. Andrew's

## Geography

This term the children will be learning about volcanoes and why people choose to live near them.

# Summer Term Two Curriculum – Class Two

## Music

In music this term, the children will learn all about Jazz music and the instruments used.

## Computing

In computing this term Class Two will learn all about the programming needed for repetition in games.

## French

In French this term Class Two will learn about how to discuss the weather.

## PSHE

Our topic in PSHE for this term is all about safety and the changing body. Class two will learn that they to consider their own safety before helping others in emergency situations, how to help someone who has been bitten or stung and learn how to deal with unkind online behaviour and cyberbullying.

## DT

For DT this half-term, the children will be learning how to cross stitch and use these skills to create a cushion.
