

## TOPIC

In geography, Willow will be exploring rivers and ultimately seek to answer the question: 'what are rivers and how are they used?'

## ART/DT

In art, Willow will explore the fabrics of nature. We will understand the work of William Morris, using subject vocabulary to describe his work and style to inspire our own pattern taking inspiration from mood boards and initial research.

## COMPUTING

In computing, the children will explore programming, specifically events and actions in programming.

## PSHE

Our PSHE topic for this term focuses on safety and the changing body. We will learn about the reasons for legal age restrictions, internet safety, first aid and the difference between private and public and secrets and surprises.

## ENGLISH

This term, Willow will explore the archaic text Wind and the Willows. Following this, we make further cross-curricular links to Rivers by an explanation text using River Story by Meredith Hooper and Bee Willey. We will finish with our descriptive poetry unit which looks at A River by Marc Martin.

## MATHS

Following consolidation, Year Four will complete the year with shape, statistics and position and direction. Year Three will continue their learning on time, before moving onto shape and statistics.

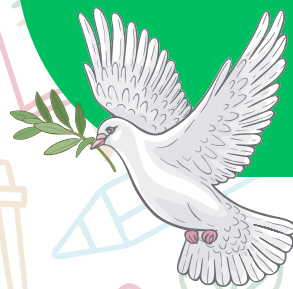

## RE

In RE, Willow will explore multiple faiths and theology to ultimately answer the question: 'is life like a journey?'

# WILLOW

## Summer Two

# CURRICULUM OVERVIEW

## SCIENCE

In science, we will be consolidating our learning with our making connections unit. This unit draws on all learning undertaken throughout the year, allowing the children to form connections between them.

## MUSIC

In music, Willow will be participating in music lessons from Entrust where they will learn to play the ukulele!

## FRENCH

In French, Willow are continue to deepen their learning on French food by learning how to shop for it! They will learn new key vocabulary including the correct pronunciation together with its masculine and feminine nouns in written form.

## PE

In PE, Willow will be exploring athletics and cricket. We will also prepare for our sports day!

## WIDER CURRICULUM

Willow will explore their local area by visiting and investigating the Mease river.
