- Number lines to help with maths (SO to speak to DB)
- More school trips (SO explained cost for parents)
- Pet day (health and safety?)
- Scavenger hunt (FOMH do an Easter themed event)

Class 3 feedback from pupils

- Enjoyed French day, would like a Spanish one (SO to feedback to SLT)
- Improve Teddy's life – toys and treats (Teddy being looked after by O and her family while WM absent, plan to purchase new hutch and run when he comes back to school)
- More school trips (see above)
- Den building (SO explained new Forest school area – children were excited by this)
- Playground equipment (SO explained this was on today's agenda)
- Grow your own fruit and vegetables (could this be as part of Forest school?)

3. Playground equipment. SO explained the playground was being left untidy after break and lunch, children helping themselves to equipment out of the sheds and not closing the doors. If equipment not cared for it will be broken or lost. A said there are monitors for the sheds. SO said only these monitors should be going in to collect resources or put them away. There also needs to be a clear timetable and set of rules.

The council agreed with the need for resource boxes – one for each day of the week with different resources. Monitors responsible for getting out/putting away. SO to order boxes and speak to monitors/whole school once routines are ready to begin

4. Children in Need – would School Council like to be involved in running an event? They all agreed yes. SO asked them to come back with suggestions but to keep it simple (we have already had a cake sale for Macmillan), something like a colouring competition or similar. School Council to feedback ideas. The theme is “Be spotacular”

**AOB:** None

**Date of next meeting:** Thursday 26<sup>th</sup> October (short meeting to follow-up on Children in Need)
