

RE: Academisation Questions and Answers Session

Dear Families

It is an exciting time at the Mease Federation, especially as we are well on the way to Academising with The Staffordshire Schools Multi Academy Trust (TSSMAT). We know that this is the right move and the right time for our schools. We would like to give our families the opportunity to meet with myself, the Governors and the TSSMAT CEO, Charlene Gethin, to discuss any questions you might have about Academisation and what this will mean for your school or child/ren.

We will host a Q&A session at both schools on **Thursday 21st September**.

St. Andrew's 6pm-6:45pm

Mary Howard 7:15pm-8pm

Please could you complete and return the slip below to confirm your attendance and provide any questions you may have?

Kind regards

Rachel Mills
