

Rowan Class

Week Commencing 13th July

Hi

This is our last week of home learning. For English please follow the link to Oak Academy below. If your child is in my English group follow the YR2 link. If your child is following the Read Write Inc program I recommend the YR1 link. There are lots of other things there, particularly in the foundation section, that you might like to have a go at especially if you can't print off activities.

I am sad that our two years together has ended in this way but we still have lots of good memories that I will cherish. I am so proud of you all and I know you will all make fantastic YR3s and continue to work hard for Mr Ward next year. I will phone those still at home for a chat this week but want to wish all a very happy summer holidays. Stay safe and I will see you very soon.

Feel free to contact me via See-saw if you have any questions or need any help!

Mrs B

PS Watch out for a special surprise mission tomorrow!

Maths	English	Science and Foundation Subjects	PE
YR2 and Yr1 Maths is on Seesaw Our maths this week in Yr2 is about measure—extra activities could include: Making a rain gauge and measuring rainfall Recording the temperature each day. Make a diary of a day in the week including time.	https:// www.thenational.academy/ online-classroom/year- 1#schedule https:// www.thenational.academy/ online-classroom/year- 2#schedule Read, read, read! Free reading books on Oxford Owl https:// www.oxfordowl.co.uk/for- home/find-a-book/library- page/ Put a picture on Seesaw of you reading.	I have put on seesaw some end of term activities. If you don't have a printer you can use the ideas and make your own on a sheet of paper. Oak Academy has some nice ideas under the Creative section and Science—have a look! Coding—Log on to Discovery Education—Coding and complete the KS1 coding modules. Discovery Education Login Username: student9704 Password: maryport	See Oak Academy schedule—follow the English link

Don't forget to have a go on TT Rockstars and Spelling Shed!

Let's see who is top player this week!
