

Rowan Class

Week Commencing 15th June 2020

Hi

Our home learning for this week is as per the table below. Some children had a try at the Oak Academy online learning. Overall feedback was positive so we will continue to follow it. If your child is in my English group follow the YR2 link. If your child is following the Read Write Inc program I recommend the YR1 link. There are other things there that you might like to have a go at especially if you can't print off activities. Let me know what you think.

Feel free to contact me via See-saw if you have any questions or need any help!
