

Rowan Class

Week Commencing 22nd June 2020

Hi

Our home learning for this week is as per the table below. For English please follow the link to Oak Academy below. If your child is in my English group follow the YR2 link. If your child is following the Read Write Inc program I recommend the YR1 link. There are lots of other things there, particularly in the foundation section, that you might like to have a go at especially if you can't print off activities.

Feel free to contact me via See-saw if you have any questions or need any help!

Mrs B

Maths	English	Science and Foundation Subjects	PE
YR2 and Yr1 Maths is on Seesaw	<p>https:// www.thenational.academy/ online-classroom/year- 1#schedule</p> <p>https:// www.thenational.academy/ online-classroom/year- 2#schedule</p> <p>Read, read, read!</p> <p>Free reading books on Oxford Owl</p> <p>https:// www.oxfordowl.co.uk/for- home/find-a-book/library- page/</p> <p>Put a picture on Seesaw of you reading.</p>	<p>What is the summer solstice? Discovery/Espresso—Science/geography.</p> <p>Geography—Journey to the Coast.
