

Rowan Class

Week Commencing 27th April 2020

Hi

Our home learning for this week is as per the table below.

Feel free to contact me via See-saw if you have any questions or need any help!

Mrs B

Maths	English	Science	Foundation Subjects	PE
<p>The home learning link for White Rose each day</p> <p>https://whiterosemaths.com/homelearning/year-2/</p> <p>https://whiterosemaths.com/homelearning/year-1/</p>	<p>This week I have made a plant and tree hunt. See separate sheet.</p> <p>Read, read, read!</p> <p>Put a picture on Seesaw of you reading.</p>	<p>Our topic this half term is materials.</p> <p>If you have had a try at identifying different materials—now you need to think about their properties—how you would describe them. Hunt for some objects and use the word mat to help you describe its properties.</p>	<p>Let's do some DT this week - I know how much you love junk modelling. Can you make an animal?</p> <p>Use the maps provided or go on the internet and make sure you can name and locate the continents and oceans.</p>	<p>This week show us your dance moves.</p> <p>Put some photos on seesaw.</p>

Don't forget to have a go on TT Rockstars and Spelling Shed!

Let's see who is top player this week!
