

KS1 Websites and Apps

- **White Rose Maths** – currently has some free resources – this is the maths scheme we use in YR1 and YR2.
- **Dragonbox** – maths site/app
- **BBC Bitesize** – great website for lots of cross curricular topics.
- **Topmarks.co.uk** – good website for maths games
- **Phonicsplay.co.uk** – this is a subscription site but some resources are free. Good phonics games to play.
- **Twinkl.co.uk** – a UK website that is offering free access at the moment. It is possible to print off resources from here but is also useful for lots of information and ideas.
- **Vook** – A US website that offers a months free subscription to parents – children can look and listen to stories.
- **Beebot and Bluebot Apps** – these apps each provide a virtual opportunity to play with a Beebot or a Bluebot. Programming them to move across different pathways based on the buttons the children choose. The challenges get progressively harder. This app supports the computing National Curriculum
- **National Geographic for Kids** – Lots of interesting information about the world.
- **The Muddy Puddle Teacher** website – has made its resources free – good ideas for if you have access to a safe, outdoor space whilst still remaining in isolation.
- **Espresso – Discovery Education** – this website is a fantastic resource for across the curriculum. Login: student9704 Password: maryport
