

Week Commencing 18th May 2020

Year 5 activities:

1. Reading plus – it is important children continue to read so try to get on reading plus as much as you can.
2. TT Rockstars competition – Year 5 boys VS Year 5 girls.
3. 1:30pm each week day there will be Spelling Shed Hive game. Winners will be posted on the Facebook page at the end of the week.
4. Numeracy activities – there are five activities for you to complete (1 per day); these have been attached to the Year 5 page on the website. On the document it gives you step by step instructions on how to successfully complete the activity. Once complete, please send the work to Mr Stockdale.
5. Writing – Jane Considine Sentence Stacking YouTube video – at 9:45am every morning, Jane is doing a live YouTube video on writing. You will just need some paper and a pen (maybe some different coloured pens would look nice). If you type ‘sentence stackers’ into YouTube you should find it.
6. Writing – an alternative to the Jane Considine activity is the pobble writing. Here is the website:
<https://www.pobble365.com/>
7. History - Firstly, I would like you to answer the following question:
 - Who were the Mayans?

Then I would like you to pick one or two questions from below to answer in as much detail as possible. Please present this however you want. You will be required to do some research:

- Why did the Mayan empire grow to be so powerful?
- Compare the lives of the rich and the lives of the poor in the Mayan civilization.
- How can we possibly know what it was like there 1,000 years ago?

8. Mayan Reading – there is a document on the website that contains some readings about the Mayans. I would like you to pick one that interests you and answer the questions about it.

9. ICT – I would like you create a video showing us what a typical day is for you. Show me the sort of things you get up to. If you have an iPad, you can use iMovie to create this (something we have used a lot this year). If you don't have access to technology, you can do this on paper – I'm looking forward to seeing these already!

Please send any completed work to Mr Stockdale through SeeSaw and don't hesitate to contact him if you have any issues.

Stay Safe 😊
