

# Scavenger Hunt

| ✓ | Can you find something... | What did you find? |
|---|---------------------------|--------------------|
|   | that makes you happy      |                    |
|   | to sit on                 |                    |
|   | that turns on and off     |                    |
|   | soft                      |                    |
|   | you like to eat           |                    |
|   | square                    |                    |
|   | you can wear              |                    |
|   | made of plastic           |                    |
|   | to write with             |                    |
|   | orange                    |                    |
|   | you can see through       |                    |
|   | made of metal             |                    |
|   | that makes a noise        |                    |
|   | with eyes                 |                    |
|   | that lights up            |                    |
|   | rough                     |                    |
|   | that floats               |                    |
|   | with a pattern            |                    |
|   | with wheels               |                    |
|   | that opens                |                    |
|   | that sinks                |                    |
|   | that holds things         |                    |
|   | shiny                     |                    |
|   | round                     |                    |
|   | tells time                |                    |
