

# KS1 - VE Day Learning Ideas

On Friday 8th May it will be 75 years since the Second World War ended in Europe. Unfortunately we cannot celebrate it in the way that we had hoped. But lots of people are finding different ways to still celebrate. Mrs Brincombe and Mrs Brown are making bunting and we are going to decorate one of our windows at the front of the house. This week's home learning is lots of different ideas of things that you could do to remember this special day. No need to do all of them—choose the ones you would like to do and have fun. We have included some pdfs that can be printed out but if you don't have a printer you could look at them for ideas.

Decorate a window in your house. You could draw pictures and stick them on the window. Make bunting. Draw on the windows, if you have suitable pens. Remember to put a photo on Seesaw.

Design a medal. There is a pdf to help if you want it. You could even have a try at making your medal from your design.

Here is a list of words connected to World War 2. See if you can find out what they mean. You could make a wordsearch or a crossword using the words.

**ration**

**spitfire**

**victory**

**europe**

**surrender**

**medal**

Spitfires were aeroplanes used in the war. Can you find out about them? Make a glider that looks like a spitfire. A template is included if you want it or you can make your own.

With the help of a grown up read the information and find out all about VE Day. You could tell another person what you

have found out. Or you could write down what you have found out—maybe make it like a newspaper or internet article.

We have also included some colouring sheets that can be printed off. Or you could draw your own pictures from what you have learned.

Make some bunting. There is a template for colouring your own. Or you could get some paper and design your own.

Food was rationed during the war so people had to be very creative with their cooking. There are some recipes included for you to try.
