Dear Parents and Carers

This week highlights the wonderful support for Children in Need as well as the fantastic work that continues in school.

For Anti-Bullying Week Lakes 2 focused on kind hands and how to use their hands in kind and caring ways! They then created a kind hands tree, by painting their hands and making a tree trunk out of a range of materials and now have this on display in class to remind them that we use kind hands in Lakes 2!

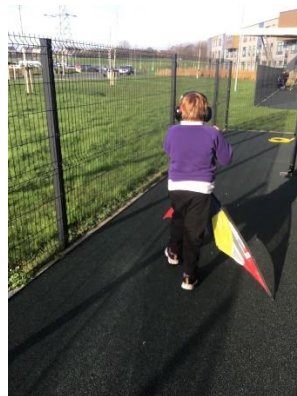

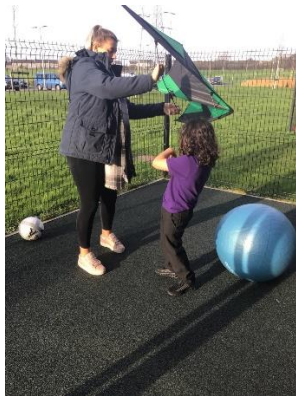

Lakes 6 went on a train ride trip on Monday, this links their sensory story "The Train Ride", to real life experiences, they bought their own tickets and boarded the train to St Bees!

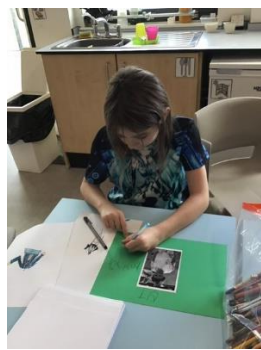

Lakes 10 have been reading 'Titch' as their topic book over the term. During Literacy this week they have been experiencing flying kites, just like 'Titch' and his siblings do. As well as this they were following instructions to make their own pinwheels and designing their own kites.

For Anti-Bullying Week Lakes 13 have been doing different activities about friendship and kindness.

Students in Mountains 6 experiencing life as an evacuee and had an experience in the Anderson Shelter .

Preparations are underway for the World Cup in Mountains 11 with a little help from Lakes 7 who have made some fabulous flags and added them to our display: Bella kept watch to make sure they were doing things correctly ☺

6th Form students have been learning to follow the Countryside Code on a walk at Walkmill Woods this week as part of their Asdan Bronze/Silver Award.

Lots of Children in Need activities in and around school.
