

Dear Parents and Carers

It has been a busy first full week in school but a good one none the less.

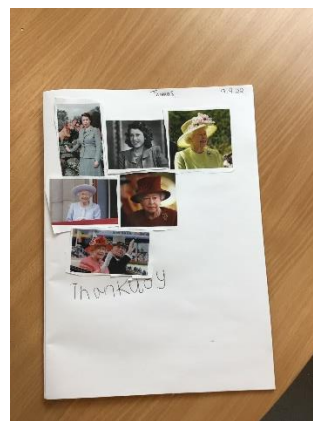

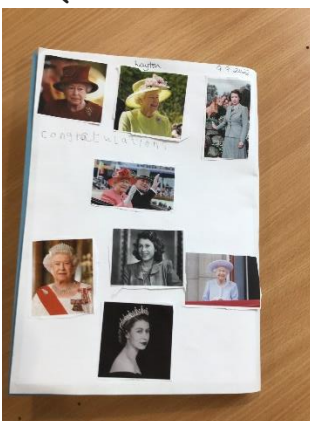

It is always a pleasure to see our young people so engaged.

Mountains 9 spent a morning looking at the life of the Queen, discussing her character strengths and reflecting on how they can live their lives more like she lived hers.

6th Form students working as part of a team to complete the egg drop challenge, making crash helmets from a variety of materials to protect Estelle, Christine and Graham from plummeting to their doom!

Mountains 10 said thank you to the Queen, the Towards Independence Group also made a gluten free chocolate cake, this was a variation on a traditional Victoria sponge cake for the Queen.
