

1st October 2021

Dear Parents and Carers

I can hardly believe its October already although the weather seems to have taken a wintry turn.

COVID Measures

Thank you for all your support re covid. Staff continue to wear masks in school and like every other school it seems, we face the added burden of a horrid cough and cold going round also. These, like sickness and diarrhoea, can be covid symptoms so thank you for your vigilance.

Website

I am delighted to include the link to the new website www.mayfield.cumbria.sch.uk
The website gives a great insight into life at Mayfield, I would encourage you to have a perusal. Included in the new website is an improved navigation structure, and new features, one of which is absence reporting. We hope you enjoy using it and find it useful.

Life in School

Lakes 4

Lakes 4 have been out practising their MOVE targets so that they can find fruits for their spooky smoothies. As you can see this resulted in lots of functional messy fun.

Lakes 5

Our washing up monitor, lunch monitor and office monitor ready for duty!!

Lakes 12

Lakes 12 had a great time picking blackberries and making 'purple ice cream'

Mountains 6

Last week Mountains 6 enjoyed a day out at The Lake District Wildlife Park, this was a postponed trip from last term. We met some of the animals and enjoyed exploring the park and finding out about the animals that live there. We also watched a beautiful birds of prey display and the Tawney Owl landed on a bench right next to us! All students were a credit to the school and we are already looking forward to planning our next trip!!

6th Form

Sixth Form students in 2 classes have been taking part in activities focusing on teambuilding and leadership skills again on Tuesday this week with Garry Holmes from Cumbria Youth Alliance.

Yours sincerely

Sam Kidd
Headteacher
