

Dear Parents and Carers

I cannot believe we only have one week to go until October half term.

This week has been a busy week in school!

### Classrooms

The new classrooms are now ready for their foundations - thanks to Estelle for her drone shots.

### MOVE

Today we have celebrated the success of the pupils in the MOVE programme by hosting a celebration ceremony for them. There are many successes.

### Life in School

Lakes 12 had a fantastic time exploring Whinlatter Forest. They followed the Gruffalo trail, built hedgehog houses and even had time left to play on the adventure park.

Mountains 9 are taking part in a *Wild Flower Gardening Project*, they have decided on the site, dug over the area and are preparing to sow seeds in the Spring.

**Reminder**

Friday 22<sup>nd</sup> October is Halloween day in school - pupils are encouraged to come dressed up.

**Half Term**

The end of this half term is Friday 22<sup>nd</sup> October at the usual time.

Yours sincerely

**Sam Kidd**

Headteacher
