Dear Parents and Carers

Thank you to all who attended the Parents Evenings this week. We have had an excellent turn out and some lovely comments.

We have one week left of this half term after this. Almost impossible to believe.

I do hope you enjoy reading about the things that have been happening this week in school.

Lakes 3 had their first trip out as a class, we visited Maryport Park. They had fun exploring the park, playing with friends, climbing on the equipment, sliding on slides and enjoyed the swings.

Lakes 8 enjoyed choosing their favourite flavour milkshake and paying for it using their own money at Moo's on the Moor.

Lakes 9 had a very special visitor this week! Estelle brought her pup, Bella in to visit us! Everyone was delighted to see her and practised gentle hands and calm voices to make her feel welcome. They explored Bella's special school uniform, her lovely shiny coat, her wet nose and tongue and she even gave some of them a high 5! Bella was such a good girl that they have invited her for a walk round the Mayfield Mile with them next week. We can't wait!

Lakes 9 have also been exploring bread as part of their Harvest topic.

Mountains 5 have been having lots of fun carrying out an investigation to find out which objects float and which sink in a Science lesson. They have then recorded their findings. Great work guys!

On Tuesday Chris Harman 'The Den Man' visited school bringing with him his Den Building workshops. Eleven classes took part in sessions across the day. All of the children and adults had lots of fun working together to build their Den. There were some fantastic creations and many skills developed from: teamwork, communication, collaboration, problem solving and independence. Everyone was individually and collectively successful and the children loved what they had created.
