

14th January 2022

Dear Parents and Carers

Thank you so much for all of your support in what has proved a tricky start to term. We are doing everything we can to keep classes open and to operate school as normal and most importantly keep everyone safe.

Since coming back to school classes have been delivering some excellent learning opportunities - a sample of which are below

This week Lakes 2 have enjoyed exploring the different vegetables from our new story 'Supertato'.

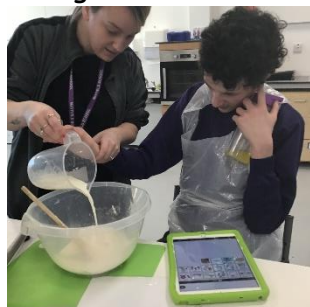

The circus has arrived at Lakes 8. The classroom has been taken over by clowns, acrobats, and of course, The Greatest Showman. We are very excited for this topic.

Mountains 1 have had a busy week.....

Making scones

Rebound

Music

Smiles 4 Life

As you are all aware we continue to liaise remotely with children and parents regarding the Smiles 4 Life programme within school.

Lesley Bonner, the Smiles 4 Life Dental Hygienist, would appreciate feedback regarding the toothbrush packs and guidance sent home before Christmas. We would be grateful if you could follow the link at the end of this post to give us feedback.

Yours sincerely

Sam Kidd
Headteacher
