Dear Parents and Carers

Welcome to the last newsletter of this term and thank you all for your support.

Before we share what we have been up to this week we say a few goodbyes and congratulations.

Goodbye to Eilidh Murphy who leaves us to take up a new teaching post at Seaton Academy. Goodbye also to Ellie Jenkins who leaves us as Play Therapist to take up her role as Learning Mentor at St Benedict's.

Congratulations to Bekki Towers from Lakes 12 who has given birth to a baby boy.

It's been another busy week in school.....

Lakes 4 went to Mirehouse Garden Centre to use their senses to explore all of the lovely spring flowers, we helped to water them and bought our favourite ones for a Mother's Day planting present. We want to thank the staff at the garden centre who were extremely helpful. They even helped push the trolley around for the workmen!

Students from Mountains 5 have experienced Science in action whilst burning firewood that they have collected to boil water to make hot chocolate. They also learned about some of the local wildlife when a crab was found in a rockpool.

The Mountains 5 boys were invited to see a show at the Sands Centre along with Mountains 6. They went to see Billionaire Boy. They were extremely well behaved throughout and very much enjoyed the show from start to finish, especially all the toilet humour!

This morning Mountains 6 held a bake off competition to raise money for our Voc Ed enterprise fund. It was an eventful morning and £14 added to our funds! Well done to our winners:

- Mountains 7 - Jessica & Isobel made some classic scones
- Lakes 6 - Kinder Cheesecake
- Mountains 9 - Team effort Red Velvet Cake
- Staff - Stephen Chambers Mars Bar Cake

Happy Easter from Everyone at Mayfield School

On Wednesday 30th March we celebrated MOVE's 25th birthday. Move is a huge part of our school allowing children to become as mobile as possible, working on standing, sitting, stepping and walking either with an aid or independently over time.

Today, Verity Snowdon from MOVE joined us along with Cumbria Woodlands and we celebrated 25 years of MOVE by planting 25 trees, one for every year of MOVE.

Thank you to parents who gave up there day to spend it with us.

Massive thank you to ISA for sponsoring the event and most importantly our amazing students for being superstars.

happy 25th birthday
