Dear Parents and Carers

It has been another busy week in school, here are some of the things that's been going on.....

Lakes 3 ave been very busy choosing new reading books to share with adults. They have all worked extremely hard with their methods of communication, discussing what they have been reading about in their books. They have all thoroughly enjoyed their special time spent with adults sharing stories.

As well as reading we have been working very hard on our writing skills as well. Just look at our concentration! What a busy week.

Some of the friends in Lakes 6 earned their Winstrada Level 1 certificates for their hard work in rebound this year!

Lakes 11 have been exploring the Buddhist faith through playing a singing bowl. They learned that sound travels through vibrations.

This term, in Art Intervention pupils have been creating some amazing artwork and thinking about what makes me, sense of self and what makes us happy.

Short Breaks Offer

You may have read on social media that there are a range of activities being run in school over the weekends and holidays. I have been asked to clarify, there are activities being hosted by an external provider and do not employ staff from Mayfield.

Mayfield School
