

18th March 2022

Dear Parents and Carers

This week we have had another great week in school. However, many of our thoughts have been with those families affected by the situation in the Ukraine.

Next week, we hope as many of you as possible will take the opportunity to have a chat with your child's class teacher on our Parent Evening week.

Lakes 7 have enjoyed the Mayfield Mile and a shopping trip to Tesco.

Students from Mountains 4 and 5 have been taking part in Beach School's classes where they have been creating artwork with materials found on the beach as well as stretching their legs and going for a walk.

Members of the 6th Form, Mountains 8 and 9 visited Workington Library as part of a programme linked to Careers and the World of Work. This was the 2nd stage of the programme (the first was a visit by the Library Service into school to explain about their organisation) students had a tour of the library and an insight into the working life of library staff. Stage 3 will include a work experience placement for some students.

On Wednesday pupils and staff wore blue and yellow to show their support for the families in the Ukraine. We raised £280.50 and have boxes of supplies to send. Thanks for all the support.

School closes for Easter on Friday 1st April at the normal time.

Yours sincerely

Sam Kidd
Headteacher
