Dear Parents and Carers

It is difficult to believe we have only one more week to go until Easter. Thank you to everyone who has supported us with the Easter raffle so far. The raffle will be drawn on the last day of term, 1<sup>st</sup> April, in school. A HUGE thank you to Laura Nelson who has secured the massive amounts of eggs for us to raffle.

It's been another busy week in school......

This half term Lakes 1 have spent time reading, and exploring, the story of, "The Three Little Pigs". They have visited Peppa Pig in her house made from sticks, and went to Wellington Farm to visit the pigs in their pig sty.

Lakes 3 have started their new Spring and Easter topic. They have been reading their new sensory story "We're Going on an Egg Hunt" and have explored lots of Easter activities. Yesterday they painted their very own Easter bunny.

Over the last few weeks Lakes 5 have been learning about real life superheroes linked to their superhero topic. Caroline our school nurse came in to talk about her job as a nurse. The children enjoyed role playing with her equipment. In their activities they explored different real life superheroes such as firefighters, dentists, nurses and our family.

Lakes 6 had an exciting trip to Whinlatter to find the Gruffalo!

Lakes 8 have been very busy during our numeracy lessons. They have spent this half term focusing on numbers and applying their number knowledge in a huge range of activities. This week's focus has been groups of objects, but the class shop remains the firm favourite.

Lakes 11 have been researching the history of the Easter bunny.

Students from Mountains 6 have been taking part in Beach Schools. They have been learning about the beach environment, the tides, collecting firewood and building pebble towers.
