

Dear Parents and Carers

It was nice to welcome everyone back to the last half term of this academic year and how lovely is this sunny weather!

This week in school....

In ICT Lakes 2 focused on how to take a selfie.

Some of lakes 12 and 13 have experienced horse riding this week. They really enjoyed grooming and riding the horses. They had to communicate instructions to the horse and used their physical abilities to play games. A great time with the RDA.

Some of our Year 11 and 12 students have had a fantastic work experience week in partnership with Centre for Leadership performance, out and about in the community meeting people from the Arts sector and finding out about all the different jobs. We have been lucky enough to visit: Theatre by the lake, Begger's Theatre, Florence Arts Centre and Rosehill where we also worked with Soundwave.

The students have been an absolute credit to the school and I am very proud of their achievements this week!! (Liz)
