

16th June 2023

Dear Parents and Carers

It's been a busy week in school this week...

Our staff teams have had training from the Smile4Life team this week. Classes will participate in daily tooth brushing supporting families to improve pupil's oral health.

Lakes 3 had great fun at St Bees Park exploring the different equipment and playing with their friends.

Lakes 6 enjoyed a trip to Longlands Lake. The children explored the area and found natural materials to make portraits of their face in continuous provision! Everyone walked sensibly around the lake and were a credit to the school, greeting unfamiliar adults around the walk!

Lakes 11 had a lovely trip on the La'al Ratty this week. They have been doing lots of sensory learning about trains and everyone enjoyed hearing all the train sounds, talking about the trains, wheels and tracks that they could see.

Mountains 8 have been recording weekly podcasts throughout the Summer Term to help develop social and conversational skills. This half-term they're inviting guests in to join the recordings each week, with this week's special guests being Receptionist extraordinaire Judith and Assistant Head Carolyn. This week's topics were sun and heat safety advice, sharing ideas for the following days cookery session, using the tennis courts and other equipment out the front of school for PE, any interesting and cool apps for phones or tablets and trying to describe our own and our friends' personalities.

Mountains 8 have also been in the summer spirit this week, making their own ice cool mocktails in class. They experimented with a range of ingredients and came up with their own creations, with a mixture of results 😊

Mayfield School

Mayfield School, Campus Whitehaven,
Red Lonning, Whitehaven, CA28 8UG

Diary Dates

23rd June - Day of Sport

7th July - Reports out

11th July - Leavers Assembly (change of date)

13th July - Mayfield Festival

19th July - Break up for summer

Yours sincerely

Sam and the team
