Dear Parents and Carers

This week, once again, has been super busy in school and I hope this gives you a flavour of what has been going on.

Border TV

Border TV visited and spoke to some of our young people before putting together a brilliant report which aired on TV last night. The response to our off site Sixth Form has been amazing. We look forward to work starting at Cockermouth.

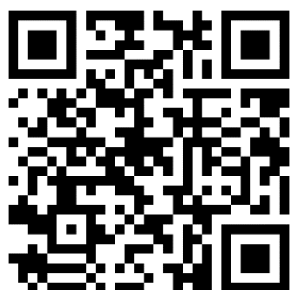

Reports

Reports will be sent home today with pupils.

Goodbye

Today, after many years of work at Mayfield we say goodbye to Michelle Diamond. Michelle has latterly worked as a Teaching Assistant in Mountains Dept but has also delivered some art therapy sessions to some pupils. We wish her luck in her new role with Cumbria County Council.

A group of Sixth Form students have just completed their Silver Duke of Edinburgh's Award Expedition/ Exploration, they have been focusing on teamwork and campcraft through a variety of activities including hiking, shelter building, using stoves, teambuilding activities and beach schools in Buttermere, Loweswater, Eskdale and St Bees.

The students really pushed themselves to work together to complete a varied selection of activities in a variety of weather conditions including last week's mini heatwave! Well done to you all.
