

Thursday 27<sup>th</sup> May 2021

Dear Parents and Carers

Welcome to newsletter three of the summer term. This newsletter contains lots of snippets of life in Mayfield - I do hope you enjoy reading about the great things going on in school.

### Lakes 2

Lakes 2 went to St Bees Park, they enjoyed playing on the park and eating ice cream. They took their own money, and everyone paid for and choose their own ice cream.

### Lakes 4

Lakes 4 have been focusing on China in the last few weeks in their Around the World topic. They have been very busy making marks, ordering numbers and writing orders in their Chinese takeaway to name just a few!

### Lakes 10

Lakes 10 have been visiting the beach each week developing independence and learning about our coasts. They have been completing a beach schools session each week developing their awareness of their environment and dangers associated with it. They have produced beach art and sculptures, enjoyed ice-cream and the beach parks.

### Lakes 11

Our wonderful topics this term have been Beatrix Potter and the Lake District and The Weather.

### Mountains 2

In Mountains 2 we have been busy learning about Ancient Greece. We've had lots of fun making Ancient Greek biscuits, dressing up in chitons and learning about some Greek mythology. It has been lots of fun!

We have also enjoyed a trip out to Hartley's for an ice cream to practise our money skills that we have been working on in maths.

**Mayfield School**

**Mayfield School**, Campus Whitehaven,  
Red Lonning, Whitehaven, CA28 8UG

### **Pool News**

It's been a fantastic return to the pool since the start of the pandemic! The first half of the term has been all about revisiting skills and rebuilding confidence. From half term onwards we will be re assessing all pupils. Well done everyone!

Well done to Jack in Lakes 6 who has done brilliantly and can now complete 5 laps of the pool.

### **Duke of Edinburgh**

Training and planning is currently going ahead in 6<sup>th</sup> form for students who are doing their Duke of Edinburgh practice expedition. They will take part in a practice expedition on Friday 18<sup>th</sup> June walking 3 miles from Keswick to Threlkeld, this will prepare them for their 2 day expedition in July.

### **Free School Meal Vouchers**

Free school meal vouchers for those eligible have been sent out this week to cover half term.

School finishes for half term this Friday and reopens on Monday 7<sup>th</sup> June.

Yours sincerely

  
Sam Kidd  
Headteacher
