

Year 7 – Autumn I – The Elements of Music

Please complete these tasks:-

1. Research what these Elements of Music mean and the words you would use to describe them:-
Pitch
Texture
Timbre
Tempo
Duration
Silence
Dynamics
Structure or Form
2. Listen to any piece of Music and write a report on how the Elements of Music are used in it.
3. Below is an example of a Graphic score which is when the musical sounds are represented by symbols, pictures, shapes, colours or drawings. You need to create your own score for a short piece of music called "Space".

4. Research the History of the Piano, its main features, how it is played, famous piece written for it and famous piano players.
