

## Punctuation Exercise

**Add the correct punctuation to these sentences – capital letters and full stops!**

there is a town beside the sea with golden sands and rock pools

a girl is digging for a dinosaur just beneath the sand

the girl is called marianne

marianne is happy by herself

she promises to be a best friend to bony

at bedtime marianne makes a wish into the night

**If you need help remembering where to use capital letters and full stops, listen to this song:**
