

Travel and Tourism Quarantine Pack Autumn 1

This document is intended to give instruction and links to work that pupils can complete independently whilst under quarantine due to COVID-19 or for any other reason that pupils are on extended absence from school. It outlines the work that pupils would normally engage with in school and provides links to sources where they can keep up, catch up and potentially move ahead in preparation for their return to school.

The topic for Year 10 in Autumn 1 is Investigating the aims of UK travel and tourism organisation.

You should have access to the online textbook and so you should work through the pages and activities in the textbook relevant to each section outlined below. Look at the topic titles and see what you have completed in class and then start on the next topic or go over the ones we have done as revision.
