<b>Is anyone not able to attend?:</b> Sienna due to illness.	
<b>Outcome of discussion:</b> <p><b>School Dinners</b> - Dulcie raised an issue with the school lunches not always matching what the menu says. She was concerned that her friend, who is allergic to oranges, couldn't choose jelly for pudding as it is advertised with oranges in it. However, when the children go down to lunch the jelly does not have oranges in it.</p> <p><b>School Packed Lunches</b> - Libertie-Lee raised the issue of crisps in packed lunches. Many of the year 3 and 4 pupils agreed that they think baked crisps, including cheddars, should be allowed back into the lunch policy.</p> <p><b>Making School more 'Fairtrade'</b> - Oakley has noticed that the bananas that we have delivered for snack are not fair trade. Year 4's recent topic focused on elements of this and he is keen to make our school more mindful of this.</p> <p><b>Rewards</b> - Maresha-Mae told us how much she enjoyed having 'Reward Tea' with Mr. Stedman for prep work and wanted to see if there could be more ways to earn tea with Mr. Stedman as a reward.</p>	
<b>Actions:</b> Miss Beech to share minutes with Mr. Jeapes and Mr. Stedman to plan next steps in terms of School lunches.
