

Spanish Animals

Match and Say

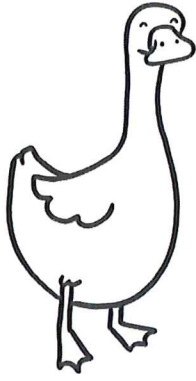

Match each Spanish animal's name to the correct picture. Use your general knowledge or knowledge of other languages to help you guess. The answers are on the next page for any that you need help with. Say the word out loud three times using the phonetic guide and draw an arrow towards the correct picture each time you say the word aloud. One has been done for you.

la mariposa	la marry-poe-sah
el gato	el ghat-oh
