Hello Endeavour,

I hope you are all well and it has been lovely to hear a lot of you returning to school in some shape or form. Thank you for being considerate and understanding of the new rules that have been applied in order to run the school in the safest possible way and to get as many of you in learning. It has also been lovely to hear that you do miss school and you look forward to returning to normal in the near future!

Year 10 have now completed their third week back into school. We have all been very impressed with their excellent attitude to learning and new ways of working. Keep up the excellent effort Year 10!

Year 7-9

This week it has been a pleasure welcoming back our Year 7, Year 8 and Year 9 pupils. All the pupils who have joined us have been on time and ready for their learning. We know it is different to the usual school routines and we are very proud of how well you have adapted. It has been lovely seeing so many of you get involved in the online lessons as well.

Keep up the great effort!

Year 7 Bubble and Chelsea K's great online English work 🤝

Home Learning

Even though all years are now attending some in school provision, schoolwork is still being provided online.

Year 10, please make sure you are using PixLit as this will support your English Literature Revision. Well done to the following for being the top three this week: Jay M, Charmaine M and Rhiannon E.

We have seen some wonderful work being done. Please make sure you share with your Head of House and teachers for feedback.

Poppy R – Photography work, Year 10.

David A – Maths work, Year 5.

Siyana S – English work, Year 7.

Primary Bubble School:

It's been another busy week in Bubble school. Over 250 pupils have attended from Year R to Year 5. Year 2 have had a great time in topic learning about the Titanic and drawing pictures of what they think they would see when looking out of a porthole on the Titanic as it was sailing across the sea.

Year 5's topic has been all about the Vikings with some lovely work being produced in the classroom.

Bubble school finishes for the summer on Tuesday 21st July and so there is still plenty of time to join us before the summer. Please email your class teacher if you would like to attend :o)

KWS:

With over 100 children accessing this provision, everyday is fun, exciting and different in KWS!

Pupils are completing their home learning, engaging in lessons online and forming strong bonds that will last beyond the current circumstances! We are constantly impressed at how resilient and responsible these pupils are with their learning.

If you require a place in KWS, please complete the registration form available at reception, or for more information, email kws@mayfield.portsmouth.sch.uk
