Dear Parents/carers,

Just to make you aware that the, 'Department for Education,' have recently approved an online reading app called, 'Teach Your Monster to Read.' A panel of experts have assessed the reading app and has deemed it as an effective learning tool for phonics and reading in Year R and 1.

If your child enjoys technology and is sometimes reluctant to read, this might be an exciting way of encouraging them to develop a love for reading. Until Friday 28th February, the app is free to download. **Please be aware that there is a charge for the app after this weekend.**

Why not download the app and take a look?

The KS1 Team.
