My family have been busy working at home too and it all feels a bit strange. I'm sure that we will get used to it after a while. We have made a rainbow for our window to cheer our neighbours up. Maybe you could make one too?

I'm sure you are finding lots of exciting things to do – the packs we sent home, Lego challenges and of course Joe Wicks' PE lessons! We would love to hear about it so please send me photos of the projects you are doing: (buckj@mayfield.portsmouth.sch.uk) and I will share these with your teachers and teaching assistants.

Can you remind your parents and carers to look after themselves too — we know that things are different at home and that doing school work can be tricky. It is just as important to spend time together, for example: cooking dinner, sharing stories, games and spending time safely outdoors. Even a little bit of 'screen time' is absolutely fine!

I'll look forward to receiving your emails and pictures.

Take care and keep smiling!

Mrs Buck and the Infant team
