

## Intrepid House – Weekly Update

**Week ending 12<sup>th</sup> June 2020**

Hello my lovely Intrepid team,

How are you? We've had a week back working after our half term break now, how are you getting on? Remember, the more effort you put into your studies now, the easier it will be when you return to school. We know home learning can be a challenge though so please email me, or your tutor, if you need help. Also, please keep sending photos of what you have been up to as I enjoy seeing all the fantastic things you have been doing.

In school, we have started to welcome back more children. I have been looking after a group in Key Worker School. We have had lots of fun and worked hard, and I know that they are all missing seeing their friends in school but for now, we need to make sure we stay safe and follow government advice by keeping our distance from people.

My challenge to you this week is to try and reach out to a school friend you haven't spoken to for a while. If you live near them, perhaps you could post a card or letter through their door? Or why not drop them an email on their school account. You might make someone's day! After all, our motto is Adventurous, Loyal, Focused, what a great way to be loyal and look after a friend.

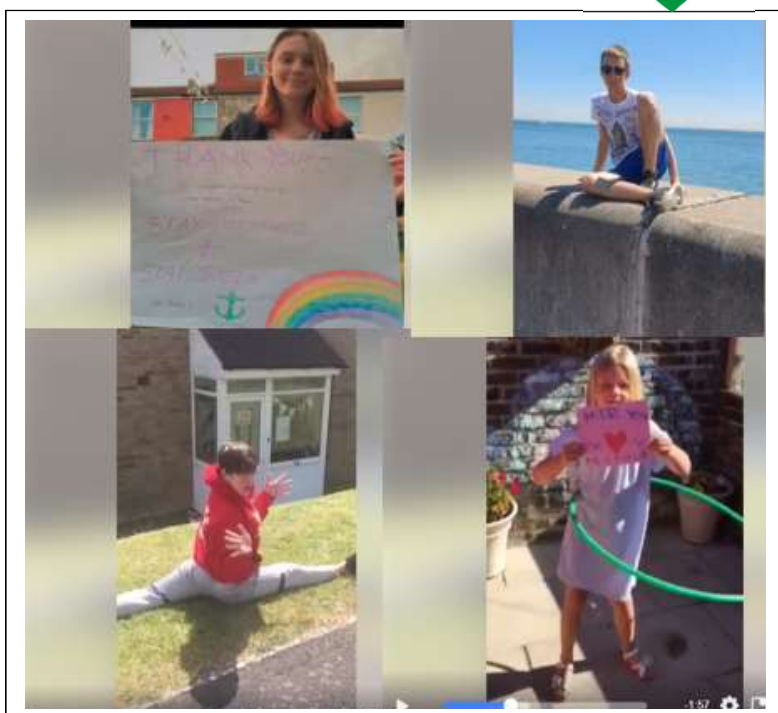

**House Competition Video** - our awesome Intrepid video is on our Facebook page! Ask your parents to have a look and **'like' the video**. The House with the most 'likes' wins and everyone knows that Intrepid love to win a House Competition!

Finally, please keep checking the website, Facebook page and Mayfield Messenger for more information regarding the upcoming half term.

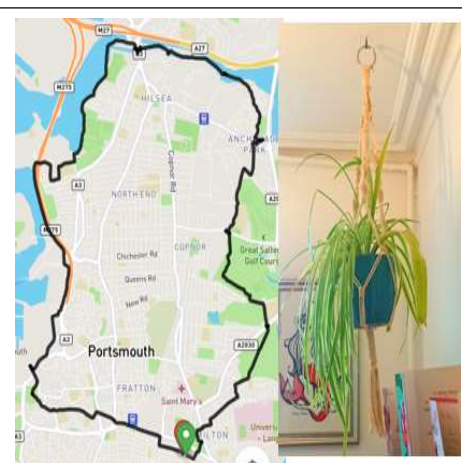

Stay safe Intrepid,

Miss Jones 😊

Phoebe B. has been **adventurous** and cycled around Portsmouth. She's also been making macramé plant hangers. Well done! 😊
