

## Intrepid House – Weekly Update

**Week ending 22nd May 2020**

Hi Intrepid,

I hope you are all keeping well. If you have been out in the sunshine, slap on some high factor sun cream so you don't burn - remember Mr Jackson's legendary sun safety assemblies! Hopefully you have had a chance to get some fresh air (whilst socially distancing) and can I suggest, particularly to Year 10 who we are planning to welcome back soon, try and get out for a short morning walk if you can. It will help wake up your mind and body, which may need some help to get back into a school day routine. Mr Reid has been keeping active too and taking in the lovely Portsmouth sites, check out the photo below.

What have you done this week to make yourself proud? Mrs Rogers is very impressed with how her seed growing is coming along. Take a look at the before and after pictures below. Lots of you have been making and growing things, remember to keep sending me pictures, I love seeing what you have all been up to.

### **House Competition- last call for photos and video clips!**

Today (Friday 22<sup>nd</sup> May) is the deadline for photos and video clips to be sent in for our Intrepid House video. Please send any last-minute entries to:

**[intrepidphotos@mayfield.portsmouth.sch.uk](mailto:intrepidphotos@mayfield.portsmouth.sch.uk)**

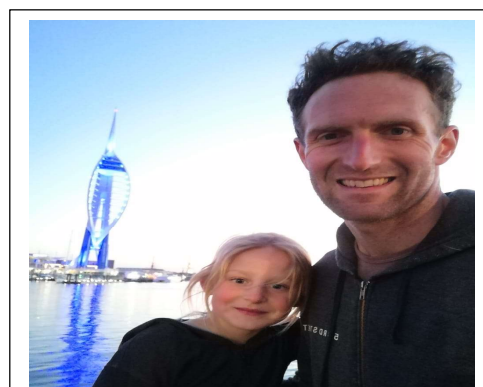

- Photos of your lovely work or of things you have done or created (doesn't have to be school related);
- Messages you would like to share with your tutor group or other Intrepid students (eg 'we miss you' type messages);
- Thank you messages to staff or anyone else that has helped you in lockdown;
- 5-10 second video clips of you doing something fun;
- Anything that represents our house motto – '*Adventurous, Loyal, Focused.*'

*You must have permission from someone at home before sending images or clips as these may be shown on our social media. Ensure clothes, messages and locations are appropriate for this.*

I wish you all a safe and fun half term break.

Miss Jones 😊
