

Intrepid House – Weekly Update

Week ending Friday 3rd April 2020

Hi Intrepid,

As we come to the end of two strange weeks, I hope you have all had a safe, productive and enjoyable time. When times are tough, like now, it's really important to remember to look after yourselves and your loved ones.

In my last message, I set you the challenge of carrying out a random act of kindness to help those around you each day. How did you get on? I'd love to hear about what you have been doing, let me know by email 😊 To help people around me, I've been doing my Dad's shopping (he's in his 70s so supermarkets are not the best place for him) and I have helped my nephew with some school work and to come up with ideas for creative projects.

How are you getting on with your school work? It can be difficult to stay focused on this sometimes, so I would encourage you to set time aside and find a quiet spot to work, away from distractions like TV or computer games. Have fun with it and try your best.

My new challenge for you is to use the time to research subjects that you find interesting. The internet is great for that, our Intrepid House motto is 'Adventurous, Loyal, Focused' so be adventurous and look up new subjects or skills online. Maybe you could then teach this to someone at home. Some ideas include: cooking, textiles, singing, computer coding, bike fixing; the sky's the limit! Look out for links to resources on our Facebook page to help you, there's a new one everyday at 12.00.

I'm still working hard in my new 'office' and I have taken a picture of me with my dog Ruby - who still doesn't understand the idea of home working as she is insisting on sitting on me, in the way of the laptop trying to get my attention for treats and walks! Despite this, I have managed to get lots done and I will be sending each tutor group an email shortly, look out for it. I'm really looking forward to seeing you all again but in the meantime, I wish you all a safe and happy Easter break and in the words of old Boris, 'Stay home, protect the NHS, save lives'.

My email: jonesj1@mayfield.portsmouth.sch.uk
