

Curriculum Re-engagement Programme

Subject: Maths

SL: RAL

DOL: HEA

	Adaptations
New Year 7	<p>We will not change the overall content as we feel over the three year key stage we can cover all the same topics. We may drop lessons in each topic following ongoing departmental meetings to discuss student progress.</p> <p>Mastery SOW will be delivered. Sets 2 and 3 are more of a mixed ability grouping.</p>
New Year 8	<p>We will not change the overall content as we feel over the three year key stage we can cover all the same topics. We may drop lessons in each topic following ongoing departmental meetings to discuss student progress.</p> <p>Staff have been emailed to let them know what topics were missed in Year 7. Beginning to teach a new Mastery SOW</p>
New Year 9	<p>We will not change the overall content as we feel over the three year key stage we can cover all the same topics. We may drop lessons in each topic following ongoing departmental meetings to discuss student progress.</p> <p>Staff have been emailed to let them know what topics were missed in Year 8. We will begin to teach Working towards SOW, Crossover SOW dependent on set.</p>
New Year 10	<p>To re-engage students we will build in an increased number of low stakes retrieval questioning as starters to recap knowledge from the previous year.</p> <p>Staff have all come up with a long term plan for their classes – created on INSET Day Staff were aware of the last topic each group had been taught.</p>
New Year 11	<ul style="list-style-type: none">• The exam board haven't made changes.• All staff have created a long term plan for their classes.
