

## HT Message – Mr. David Jeapes

Welcome to the first Mayfield Messenger for our academic Year 2020/21. We will be publishing this every Friday during term time.

On Tuesday we welcomed over 1,400 pupils back to school. I am aware that the initial drop-off and pick-up for Primary children was rather frantic, however, following some tweaks we have now established a much smoother process. We continue to consider how we can make the Year 5 and 6 pick up easier for parents and carers over the course of next week.

I would like to extend my thanks to all parents and carers by supporting our school uniform. Our pupils look extremely smart and ready to learn. Equally, the vast majority of pupils in our Senior Section have remembered their essential equipment and face coverings – thank you so much for this. By way of a reminder, all pupils in Years 7 to 11 need:

- Black pen and pencil plus spares;
- Purple pen for feedback;
- Glue stick;
- 30cm Ruler and an eraser;
- CASIO Fx Series calculator;
- Reading Book (Year 7 and 8 ONLY).

To make life easier, we have put together stationary packs containing the above which can be ordered using the school's Scopay system. Packs cost £9.30 - unfortunately, we cannot handle cash. If you are having any difficulties accessing the Scopay system, please email Mr. Danny Backhouse, Finance Officer, on:

[BackhouseD@mayfield.portsmouth.sch.uk](mailto:BackhouseD@mayfield.portsmouth.sch.uk)

We strongly advise that all items of uniform and equipment, particularly calculators, are clearly labelled with your child's name.

You may be aware that we have begun to roll out the SIMS Parent App since June 2020. This will provide parents with instant information around your child's:

Timetable;  
Achievement and Behaviour Points;  
Personal contact information;  
Attendance.

In the coming weeks we will be adding more functionality to this platform and we expect this to be our main means of communication going forward. Consequently, it is vital that if your child is at Mayfield you consider downloading this app. For support with this, please email Mrs. Helen Patis, SIMS Manager, on:

[Patis@mayfield.portsmouth.sch.uk](mailto:Patis@mayfield.portsmouth.sch.uk)

I am delighted to report that the atmosphere around the school is very, very focused. Staff have shared with me how impressed they have been with the behaviour and attitude of pupils and their flexibility in adopting new routines.

Please be aware that the school receives additional funding for any pupil who:

- Currently are or have been eligible for free school meals in the last six years;
- have a parent or carer in the armed services.

If you believe that your child is eligible for additional funding, then please do alert us by contacting Mrs. Jackie Hamilton on [Hamilton@mayfield.portsmouth.sch.uk](mailto:Hamilton@mayfield.portsmouth.sch.uk)

Please be aware of the following online payment systems for hot meals:

- Years 3 to 6 should use – Scopay
- Years 7 to 11 should use - Parentpay

Finally, I would like to highlight the work of the 'Friends of Mayfield' (FOM). The FOM are a group of volunteers that support the school by organising events throughout the year. They are always looking to recruit new members....even if you only have a few hours once in a while spare! If you would like to find out more, please contact them on [fom@mayfield.portsmouth.sch.uk](mailto:fom@mayfield.portsmouth.sch.uk)

To help you plan your time, we have provided a list of key dates for the Autumn 1 half term attached to this document.

### **Head of Seniors – Miss. Louise Hillier**

Our pupils have returned energised and ready to learn. I have been impressed with how quickly they have adapted to our new routines. You may be aware that, as part of our risk assessment, we have temporarily moved away from 'vertical' tutor groups to ensure 'bubbles' cannot mix within classrooms. As such, your child is likely to have a new tutor. A full list of tutors can be found attached to this document:

On Thursday 24<sup>th</sup> September you will get a chance to 'meet' your child's tutor during an online meeting. More details around this will be shared via SIMS Parent app and our website.

In the coming weeks we will be launching the Wilkie Scholarship for current Year 11 pupils. This provides for two, fully funded, places for Year 12 and 13 at The Portsmouth Grammar School – again, information will be shared via SIMS Parent app and our website.

From Monday 14<sup>th</sup> September, we will be opening another exit for our Senior Section pupils via the gate on the West Field into Inhurst Road.

I shall finish my message by thanking our parents and carers for their support in ensuring your child comes to school with the correct equipment and uniform – fully ready for learning.

### **Head of Primary Message**

Thank you for your support whilst we work through the logistics of getting children into and out of the school safely. We are continually reviewing our systems and always welcome feedback. I would ask all parents to make sure that they adhere to social distancing as much as possible and that they do not linger in the playground or on the roads outside. It would be particularly helpful if only one adult is sent to collect or drop off children. Please note that dogs, including puppies, cannot be brought onto the school site even if carried.

### **Collecting children at 3.30pm and 4.30pm**

From today (Friday) parents of children in year 6 will need to collect their children from the key stage 2 playground. Please enter the playground via the green gates near to reception and you will be directed to your pickup point outside of Yangtze classroom. We hope this will make the pick-up smoother for families.

### **Morning routine**

The school gates open between 8.30am and 8.45am. This enables for hand washing and a prompt start to learning at 8:45am. Teachers are inside the classroom and so unable to speak to parents in the morning. Any messages should be passed to the TAs on duty in the playground or emailed directly to teachers. A list of email addresses can be found attached to this document.

Please note that class teachers should always be your first point of contact for any issues in school.

### **Achievement and rewards**

Pupils can be given achievement points based on the 6 Learning Superpowers throughout the week. These will show up on your SIMS parent app. We no longer run Golden Time on a Friday but instead, all primary children will be able to pick a half termly reward based on the number of achievement points accrued. Achievement points are also awarded for attendance to school.

Star of the Week will be back next Friday (18<sup>th</sup> September). Nominations from staff are for pupils who have gone above and beyond during that week. Please note that some pupils may achieve this more than once and that this award is not necessarily given to every child during the year. Pupils, of parents who have given consent, may be celebrated using social media.

## **Stepped Behaviour System**

We have introduced a new behaviour system in Primary which is designed to support pupils and staff in their learning and teaching. Pupils will be given warnings if their behaviour is causing disruption to their learning or those around them. There are 3 teaching sessions throughout the day and children are given a fresh start at the beginning of each session.

You will be able to see if your children have been given warnings by using the SIMS parent app. Please note that this is not "live" and so there may be a delay in this being visible. If a pupil receives a step 3 they will be removed from the classroom to work in the Primary Reflection room until the end of that session. They may also receive a 15 minute social time detention where appropriate.

## **Attendance**

If your child or a close family member is presenting symptoms of COVID 19 then please do not send your child to school and inform us immediately. Parents and carers are then advised to follow the Governments guidance, which can be found here:
