

### **HT Message – Mr. David Jeapes**

I am very sorry that we had to move Year 8 and 10 to online learning due to very high levels of staff absence. I appreciate that children and families have already experienced very high levels of disruption over the last two years, and that further closures only exacerbate this problem. We do not take the decision to close lightly and thank you for your understanding. We know that infection rates across the country are surging, and we are monitoring the situation very closely.

We have noticed that a small number of pupils are failing to conform with our uniform policy, especially around skirts, trousers and shoes. If you need clarification on uniform, please click on this link:

<https://mayfield.portsmouth.sch.uk/about-us/our-school>

Should you require support, financial or otherwise, with the provision of uniform, please email Mrs. Anders, on:

[anderse@mayfield.portsmouth.sch.uk](mailto:anderse@mayfield.portsmouth.sch.uk)

### **FOM Quiz night – Friday 1<sup>st</sup> April**

No this is not an April fool! We will be running our quiz night in the main hall, £3 entry on the door, no need to pre-book just turn up. We would like to get as many quiz teams together as possible so please spread the word all welcome, this is an adult only event. Please bring your own drinks and snacks, the winning team will take 50% of the entrance fees, so the more people we have in attendance the more money in the prize pot! Dominoes will be selling individual pizza's for £3.

### **FOM Summer Fete Friday 15<sup>th</sup> July**

Friends of Mayfield are running our summer fete on Friday 15<sup>th</sup> July 3-6.00pm, If you are interested in having a stall or helping with this event, please contact us on [FOMevents22@gmail.com](mailto:FOMevents22@gmail.com)

### **Exam Invigilation Opportunity**

We have some opportunities to join our examination invigilation team for this summer. The hours are flexible, and we can work around the availability of parents and grandparents who may need to drop off on the school run before starting work. The examinations this summer will be running throughout May and June. Details of the rates of pay and duties are available on the vacancies page of our website: [Vacancies | Mayfield School](#) or email our Exams Officer, Helen Patis on [Patis@mayfield.portsmouth.sch.uk](mailto:Patis@mayfield.portsmouth.sch.uk) if you would like further information about the role.

### **Volunteering Opportunity**

Over the course of this year, we have started to resume our programme of trips and visits. We are always keen to have parent, carer and wider family volunteers to help us with this programme. If you are interested in helping at the school, can you please complete the volunteer application form that can be found on the vacancies page of our website:

[Vacancies | Mayfield School](#)

Please note that all volunteers must read and sign the 'volunteer policy'.

### **Catch-up Photography**

We had several pupils who missed their school photos in September as they were self-isolating at the time. We have organised a catch-up photo session on the afternoon of Tuesday 29<sup>th</sup> March to ensure that these children do not miss out on this opportunity to have their individual school photo taken. If your children missed their sibling photo and you would like this to be taken, please email [stedmanm@mayfield.portsmouth.sch.uk](mailto:stedmanm@mayfield.portsmouth.sch.uk) so that your family can be added to the list.

### **MENACWY Immunisations for Year 9 – 30<sup>th</sup> March 2022**

The School Aged Immunisation team will shortly be offering the Meningitis ACWY and Tetanus, Diphtheria and Polio vaccinations at Mayfield School for Year 9. Please refer to the link below for the parent leaflet which contains further medical information and the letter with the consent form.

[Medical Response | Mayfield School](#)

The deadline for completion of the online consent form is 25<sup>th</sup> March 2022. If you have any questions regarding this process, please email [snhs.schoolagedimmunisations-ports@nhs.net](mailto:snhs.schoolagedimmunisations-ports@nhs.net)

### **Extra-Curricular Clubs Summer 1**

The booking for our summer 1 extra-curricular programme opens next week at 6pm on the following days;

Monday – Year R

Tuesday – Year 1 & 2

Wednesday - Year 3 & 4

Thursday – Year 5 & 6

Friday – Year 7 & 8

You can find our extensive free club offer list attached or on the school website.

 [2021-22 Summer 1 - Club Descriptors.docx](#)

### **Head of Seniors – Miss Louise Hillier**

We have had a couple of Careers events in the last two weeks. Last Monday, Year 9 took part in a workshop to think about their future aspirations and skills they have to reach that goal. They made a golden ticket for their future and identified areas they would like to work in and strengths they have. It was lovely to see the pupils talking about their future and sharing their careers aspirations. Please do ask them about this workshop and any feedback welcome to Mrs Denford on [denfordr@mayfield.portsmouth.sch.uk](mailto:denfordr@mayfield.portsmouth.sch.uk).

Year 10 are preparing for their Employer Interview on 31<sup>st</sup> March. As part of this they took part in an Employer Preparation afternoon and had a chance to complete their CV ready for their interview. They also had a workshop looking at employability skills and an assessment centre style activity. This is to prepare them for their Post 16 applications in the autumn term when they are in Year 11. Any questions about the Employer Interview process please email [denfordr@mayfield.portsmouth.sch.uk](mailto:denfordr@mayfield.portsmouth.sch.uk).

This week in the sporting arena we had a Year 9 Rugby match. Here is the match report:

Wednesday saw a great team performance as Mayfield's strength and determination earned a deserved draw with a more experienced Springfield team. The game finished 6 try's a piece with scorers Ollie E x 2, Jim K x 2 and MOM Teddy S x 2. We look forward to our game next week against Portchester.

Please see the write up below from Mr Rafferty-Croft regarding the Year 7 and 8 Enterprise Challenge:

“Over the last term a group of Year 7 and 8 pupils have been working hard on planning a pitch for a new invention which would improve local ecosystems and help to prevent climate change. Their resourceful and original idea was a 'Hoover-craft'. A passenger vessel which would perform regular journeys to the Isle of Wight and back whilst cleaning any plastic waste found in the Solent. This week they pitched their idea to a group of local business men and women who all work in the engineering sector as part of a 'Dragons Den' style competition against 14 other school across Hampshire and the Isle of Wight. Their pitch was professional and well thought out but unfortunately we missed out on top prize. The pupils should be very proud, I know Mr Batchelor and myself are!”

The Year 7 disco on Thursday was a wonderful event! A huge thank you to the Friends of Mayfield for organising it. There was plenty of dancing- where I learned how to “Cha Cha Slide” but the Macarana still defeats me!

Excitingly, Prefect Application for Year 10s begins next week. Please talk to your child about this fabulous opportunity and if they would like to apply, they should collect an application form from Mr Ralph in Room 222. Applications need to be handed in by Friday 8<sup>th</sup> April at 3pm. Pupils should note that if they want to be considered for a Senior Prefect Role, Sports/Dance/Music/Drama Captain they need to first apply to be a prefect. We look forward to receiving the applications.

After Easter, pupils can, if they wish, wear black Mayfield branded, tailored shorts in place of trousers. The summer uniform can be worn up until October half term. Our Pre-Loved shop has some excellent quality stock if you need it. You are welcome to bring an item of good quality, pre-loved uniform and to swap it for something you need.

This week Hot Chocolate Friday was to celebrate pupils with great attendance. The nominations were:

Victory	Michelle and Holly
Discovery	Jacob and Georgia

The Intrepid and Endeavour nominees were all Year 10 who were learning from home so I will meet them next week, but I certainly enjoyed spending time with the young people I had this week.

Well done to these young people who are doing everything they can to help themselves- attendance is linked so closely to attainment. We know Covid is still a reality and that this is impacting attendance for some pupils but please do send your children into school every day unless isolating. Pupils in Year 7 and 8 should be at school at 8:10am and those in Years 9, 10 and 11 should be here by 8:40am.

### **Head of Primary – Mrs Fiona Rogers**

It has been a lovely sunny week here in Primary and the children have enjoyed the spring weather.

This week Mrs Reid took our Senior section Bee Kind ambassadors out to play with the pupils and they enjoyed running some activities for others. The parachute game went down particularly well!

Last night year 6 enjoyed a super fun disco. The year 6 team, myself, Mrs Buck and Miss Andrews managed to throw some impressive shapes on the dance floor! Thank you so much to Friends of Mayfield who arranged and ran the event for us.

After Easter, pupils can switch to our non-compulsory, optional summer uniform which comprises either black, Mayfield branded, tailored shorts in place of trousers or a blue, striped Mayfield branded dress in place of trousers/skirt, shirt and tie. The summer uniform can be worn up until October half term. Our Pre-Loved shop has some excellent quality stock if you need it. You are welcome to bring an item of good quality, pre-loved uniform and to swap it for something you need.

This week, Year R have enjoyed observing zoo animals on live cameras. We've been keeping the cameras on all day to see the animals when they sleep, when they get fed and we kept hoping to see them being cheeky too! We recorded what we saw by writing animal diaries in our 'VIP' time.

In Letters and Sounds, the children have been learning how to read the -ing suffix on the end of words to make reading those words faster. They have been incredibly resilient and have been able to read words such as zooming, singing and chatting.

In maths, Year R have been exploring the concept of doubling using Number Blocks and dot patterns. They are beginning to notice the patterns with doubles and can explain that the numbers need to be the 'same'.

This week Year 1 have been working hard to write their recounts about their trip to Marwell Zoo. Our teachers are very impressed with the writing that has been produced!

In maths, we have been recapping addition and subtraction within 20 and even got to spend some time outside learning in the lovely sunshine.

Year 2 have been learning all about fractions and how to make sure that all the parts of the whole are equal. We have also enjoyed using thesaurus to look up synonyms for adjectives from our new English text 'The Ugly Five'. In Science, we have been looking at plants that live in different habitats and are suited to grow there. Thank you for all the boxes so far ready for our DT project next Wednesday, it is not too late to send one in on Monday.

This week, Year 3 were invaded by a dinosaur in our assembly! We have been using this to help us write a news report to recount this crazy event. In our maths, we have looked at finding halves and thirds of shapes and amounts.

This week Year 4 have been working scientifically to investigate different shapes of boat to see why the Vikings chose to use long boats to invade. In English, we have started writing our adventure stories which we are excited to share with parents. Please keep an eye out on the Sims app and in book bags for a letter confirming details of this event next week.

This week, Year 5 have been busy learning about different states of the USA! They have enjoyed picking their favourite states and planning for a burger which reflects this state. In 2 weeks, the children will make their burgers by using many different skills. We can't wait to see their end products!

In maths, Year 5 have been continuing to learn about decimals. They have been comparing decimals to fractions and percentages. Please see their homework for specific methods of working.

Year 6 have had a great week, extending their understanding of reading maps. They enjoyed drawing contour lines on potatoes to help them understand how maps show relief and using string to understand how maps use scales. The children enjoyed measuring distances around the city and recognising the distance travelled cannot be measured in a straight line. In maths, the children have been revising their knowledge of the four operations, in preparation for their end of key stage assessments. In English, they have been writing their own Survival stories based upon Nigel Long's book of the same name.

### **Mobile Phones**

I am concerned by the number of pupils bringing mobile phones into school, keeping them on them and using them during the school day. This is not acceptable so please ensure that children are aware that should they need to have a mobile phone for the walk to and from school, it must be switched off and placed in their bag during the school day or handed to their teacher.

### **Big Write**

Our Primary Pupils in Years R-6 will soon be participating in an exciting writing event, which will take place during the last week of this half-term. Pupils across Primary will be embarking on a writing journey, using a whole school shared text. The event will be launched to the children in school, during assembly on Monday 4th April. Teachers and pupils across the week will record their writing journey to share with the rest of the school. The children will come together on Friday 8th April to share and celebrate the work they have created in our weekly 'Celebration Assembly.' The work produced by the children will be displayed centrally in school for all to see. Please look out for a 'Let's Think!' task, which the children will be bringing home to share and discuss with you at home. The thinking questions posed will help ignite enthusiasm and interest, ready for our exciting writing adventure.

### **Easter Holiday opportunities**

# free events

in the Easter Holidays

Scan the QR code  
or message Sophie  
on 07711593481  
to book

During the Easter fortnight we are running creative workshops for young people (13-19) at the Round Tower where you can gain new skills and get work experience in: Heritage, Journalism, Sound recording, Film making, Photography, Graphic design and Book making

Lunch is provided and you receive a £10 Amazon voucher for attending!

## Portsmouth Young Carers Service: *Supporting Young Carers living in Portsmouth*

### Our service

We offer free to access support for children and young people living in Portsmouth who are young carers.

### Who is a young carer?

A young person under the age of 18 who cares for or helps to care for a family member with a:

- Long-term illness
- Physical or learning disability
- Mental health condition
- or who misuse substances

**"I care for my older and younger siblings. I find it hard when my sister cries when she goes into school."**  
Portsmouth Young Carer

### Unique young carers

- The experiences and needs of each young carer are unique.
- The amount and type of care they provide can vary greatly and this can impact their health and well-being in different ways. They may be emotionally affected, have limited access to social situations or worry about the person they care for.

### How does Portsmouth Young Carers Service support young carers?

- Help young carers to understand their caring role and identify and build their own positive support network.
- Provide opportunities for breaks from caring responsibilities and to meet up with other young people who understand how they feel.
- Support professionals to understand about young carers needs, the impact these might have and how to support young carers sensitively and effectively.

### As part of the Early Help & Prevention Service we support young carers to:

- Enjoy their childhood and avoid taking on excessive caring responsibilities.
- Recognise their aspirations and support them to achieve their full potential.
- Encourage attendance and attainment in school/college.

### Our current offer:

- A **monthly young carers and family email** with information and ideas
- Opportunities for young carers between the ages of 5 and 18 to have a **break from their caring responsibilities** through:
  - **Holiday activity programmes** (for 5 to 18-year-olds)
  - **Regular groups** (for 8 to 25-year-olds) supporting different age groups across the city.
- **Time bonded one-to-one support** for more vulnerable young carers who are not specifically being supported by another professional, with a focus decided with the young person.
- **Young Carer representation** for a young person at multi-professional meetings.
- **Young carer's awareness raising**, including training for organisations and school assemblies for young people.
- **Team Around the Worker** support for professionals working with young carers.

**"I like coming to Young Carers because there's always loads to do, and I can just be a kid in this time."** Portsmouth Young Carer

#### How to access Portsmouth Young Carers Service:

Access to our service is by **referral**.

Our **electronic referral form** can be found on the Portsmouth City Council website:

<https://www.portsmouth.gov.uk/ext/health-and-care/carers/young-carers>

The following people can complete a referral:

- The young person's parent or guardian.
- A professional supporting the young person.
- In some cases, the young person may be able to self-refer.

**"(At the group) I can be myself and no one judges me."** Portsmouth Young Carer

#### Groups aren't for everyone...

We recognise that not all young people are comfortable in group settings, or want to attend regularly. For these young people we can offer telephone calls and signposting to other services.

Looking to the future, we plan to create a social media platform where young carers information can be shared.

#### Portsmouth Young Carers Service contact information:

**Address:** Young Carers Team  
Somerstown Family Hub  
Omega Street  
Southsea  
PO5 4LP

**Email:** [youngcarers@portsmouthcc.gov.uk](mailto:youngcarers@portsmouthcc.gov.uk)

**Webpage:** [www.portsmouth.gov.uk](http://www.portsmouth.gov.uk), search Young Carers

#### For more information about carers support for adults, please contact:

Portsmouth Carers Centre: [carerscentre@portsmouthcc.gov.uk](mailto:carerscentre@portsmouthcc.gov.uk)  
[www.portsmouth.gov.uk](http://www.portsmouth.gov.uk), search Carers  
02392 851864

*"I've been coming to the young carer groups and activities since I was 8 or 9. It's been a great way to make new friends and it helped me to become more independent. I especially enjoyed the 'Big Days Out'. I'd recommend that young and young adult carers who haven't been before give the activities a go."*

*Portsmouth Young Adult Carer*

**"I care for my sister... It's nice to be a young carer. We have lots of fun at our group. I like meeting new people and the activities there."** Portsmouth Young Carer

<b>Year R</b>		
Monday	Yoga	Children will be learning breathing, stretching and different yoga moves in a child friendly way.
	Outdoor Exploration	Children will be outside exploring and using the Year R outdoor equipment. Please make sure they have a coat!
Tuesday	Superhero writing	Children will be working with Mrs Moore to explore their writing skills.
	Construction	Children will use their imagination, to independently or in a small group, construct using blocks, Lego, stickle bricks.
Wednesday	Yoga	Children will be learning breathing, stretching and different yoga moves in a child friendly way.
	Outdoor exploration	Children will be outside exploring and using the Year R outdoor equipment. Please make sure they have a coat!
Thursday	Arts and crafts	Children will be given the opportunity to explore different forms and mediums of art and craft.

Friday	Homework Yr 5 & 6	Children will be given the opportunity to complete their homework/reading in school with a member of staff.
	Music Yr 5 & 6	Children will explore rhythm, tempo and beat related to different types of music.
	Touch Rugby Skills Yr 5 & 6	Children will learn and practise the skills related to touch rugby, before applying them in game situations.
	Outdoor Arts and Crafts Yr 5	Children will create their own artwork, inspired by artists who love nature.

Year 6		
Monday	Rounders Yr 5 & 6	Children will have the opportunity to practise striking, throwing and passing within rounders.
	Comic Club Yr 6	Children will create and draw their own comics whilst also enjoying ones already written.
	Team Building Games Yr 6	Children take part in a variety of team building games designed to improve their teamwork.
Tuesday	Team Building Games Yr 5 and 6	Children take part in a variety of team building games designed to improve their teamwork.
	Rock Band Yr 5 & 6	Children will have an opportunity to practice and learn skills on instruments and play together as a band, with one of our peripatetic teachers.
	Outdoor Arts and Craft Yr 6	Children will create their own artwork, inspired by artists who love nature.
	Book Club Yr 6	Children will have an opportunity to read and discuss books that are of interest to them with the rest of the book club.

Wednesday	Multi Sports Yr 5 & 6	Children take part in a variety of team games practising working together, to achieve common goal. Run by CM Sports.
	Drama Production Prep Yr 6	Children will practise and apply skills related to acting and drama, in order to support the Summer Production.
	Still Life Drawing Yr 6	Children will have the opportunity to practise the techniques and skills related specifically to drawing objects as still life.
Thursday	Dance Yr5 & 6	Children will explore different styles of dance and put them to music. Run by Bessie Cursons Dance School.
	Cricket Yr 6	Children will practise the skills relating to cricket and take part in small scale cricket matches.
	Cooking Yr 6	Children will follow recipes in order to create healthy dishes to share at home.
Friday	Homework Yr 5 & 6	Children will be given the opportunity to complete their homework/reading in school with a member of staff.
	Music Yr 5 & 6	Children will explore rhythm, tempo and beat related to different types of music.
	Touch Rugby Skills Yr 5 & 6	Children will learn and practise the skills related to touch rugby, before applying them in game situations.
	Computing Yr 6	Children will apply their knowledge of coding and algorithms to creating their own animations and games.

Monday	Drama Club	Drama club is run by Jo from Manic Stage productions. These sessions include drama games and exploration of script and devised pieces.
	Creative Writing	Senior students come into the library and work on their Creative Writing skills, learning more about writing theory and getting constructive feedback on their work to grow as writers.
	Rock Band	Pupils will have an opportunity to practice and learn skills on instruments and play together as a band, with one of our peripatetic teachers.
	Homework Club	Use the computers and get support with completing your homework.
Tuesday	Dance Club	Dance club is run by Manic Stage productions and is a great opportunity to explore different styles of dance and develop your skills.
	Football (PITC)	This football club is for all pupils in year 7 and 8 and is run by Portsmouth in the community coaches. It is an active and fun club to develop football skills.
	Art Club (KS3)	An opportunity for pupils to explore their art skills outside of lesson time.
	Stem Club	This is a science club which encourages students to carry out experiments and explore scientific phenomena. It also helps build investigative skills and allows students to explore science out of the classroom.
	Maths Drop In (Yr 7)	Maths Drop in is for Year 7s who are struggling with their Maths. This can be for support with their HW or with support with what is being taught in class.
Wednesday	Athletics	An opportunity to try out track and field athletics activities and develop your skills.
	Polyglot Languages Club	An opportunity for pupils to learn and explore new languages in a relaxed environment.
	Tycoon	An enterprise project run by Mr Batchelor
Thursday	Softball	An opportunity to learn and play softball
	Rounders	An opportunity to learn and play rounders
	Film Club	Students come to the library to watch the film adaptations of popular or more obscure books and discuss them.
	Maths Drop In (Yr 8)	Maths Drop in is for Year 8s who are struggling with their Maths. This can be for support with their HW or with support with what is being taught in class.
Friday	Cricket	An opportunity to learn and play cricket
	Homework club	Use the computers and get support with completing your homework.
