Ready, Respectful, Resilient, Responsible, Resourceful, Reflective

Dear parents and carers,

A message from Mr Howard

This week we welcomed our new year 3 families to an induction evening. It was a pleasure to meet our new children and their parents/carers and share the journey that they will now take whilst being part of our Mayfield community. Thank you to Miss Osbourne and the primary team for organising the event.

In seniors, it was great to interview the current year 10 pupils who were shortlisted for the role of head prefect. The caliber was high and I was particularly impressed with their confidence, attitude and determination to contribute to the improvements of our school.

Also this week, the senior students chose their reward trips they wanted to go on during their activities week. Those who had over 75% on their class charts were able to have first choice of activities.

And finally, Year 11 sat their last GCSE exam today. Well done to all of our Year 11s for their resilience and hard work during the last several weeks

I wish you all a great weekend!

Business and Enterprise 'Changemaker' event

Last week, twenty students from across Years 8, 9 and 10 participated in a Business and Enterprise 'Changemaker' event, held in the Upper Chambers at Portsmouth Guildhall.

The event was a great success - at the end of the day, our students completed a Feedback Form, and this is what they all commented:

"I liked using my creativity"

"I liked the theme of the event, it was an amazing experience to show off my idea"

"The best bit was the guest speakers and making up different businesses"

"I liked Meeting new people"

"I enjoyed working as a team"

"I had so much fun"

"I learnt how to create a business"

"You have to be very loud and confident in front of everyone"

"I have gained a financial mindset"

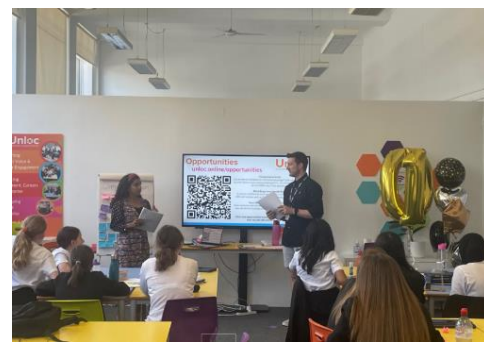

"I learnt a lot about the workforce and technology"

"I learnt about human prosperity and digital inclusion"

"I know what Verizon is"

How fantastic to see how appreciative our students were of the support that our hosts and mentors gave our students. Thank you very much UNLOC and Verizon and thank you Mr Jackson.

INSET day

This is just a reminder that there will be **no school** on this day due to staff training.
