

**Music Tuition for Year 2 Pupils**

Dear Parents,

One of our ambitions for our pupils is that they develop their competency as a musician and performer. As children progress into the Junior section, children are offered the opportunity to learn a musical instrument.

Our Music lessons will operate as follows:

- Pupils will have the choice of lessons in violin, drums, keyboard, guitar or singing.
- Pupils will have a weekly lesson with a fully qualified instrumental music teacher.
- The lessons will last for 30 minutes and will be delivered to groups of 3 during the school day or after school.
- The charge to parents will be £60 per instrument per term, which is equivalent to £6 per week.
- Pupils whose parents who are entitled to free school meals will receive this tuition free of charge.
- The school will hire and provide the instruments for the children to use in school.

Please can you indicate the instrument(s) that you would like your child to learn from September 2020 when they progress into the Junior section.
