

Nursery Newsletter

Our topic in class will continue with the theme Elmer. We will use the story about Elmer so our children can learn about feelings, explore shapes and patterns. Working together in class we will create a display of Elmer and all his friends.

Learning Intentions linked to class subject.

- Sort Elephants by size.
- Sort Elephants by their patterns.
- Chat about what makes us happy / sad
- Looking for Shapes in books

In class we are looking at the colour -yellow, shape -square, and the number 8.

Could you please create a collage with your children at home and bring back into school as we use their lovely creations at carpet time to extend their vocabulary and take pride in their achievements.

Lastly, we are a Nut Free Setting at Sunbeams. Some of our children have severe nut allergies. Please check that you do not send any food into school which may contain nuts or traces of nuts as it could have a devastating impact on some of our children.

Dates for Diary

Inset day 24th June

Last day of Summer term 22nd of July

Mrs Edwards head of pre-school and nursery.
