

Nursery Newsletter

Our topic will continue with Dinosaur's. In class we our learning about the different varieties of Dinosaurs, their eating habits, and characteristics.

We will explore textures, size, shape, and practice mark making with a variety of implements.

Learning Intentions linked to class subject:

- Songs and Rhymes.
- Explore colour, textures, and shapes.
- Sort Dinosaurs into groups.
- How many Dinosaurs can you find?
- Matching Dinosaurs.

Could you create a collage with your children with the colour Yellow, Number 6 and the shape Triangle as we are learning about these in class.

We do have our newsletter on our website which we update weekly, we also have a Facebook page which will keep you informed about our school inset days and any other dedicated events.

At Sunbeams we have been involved in sponsoring Guide Dogs in Training. We have sponsored Murphy, Lily and now its Basil. We will get regular pup updates and we can follow Basil on his Facebook page. We will introduce Basil in class and become involved in watching him grow and learn, giving the children an understanding of how Guide dogs help others who have lost their sight.

Events at school

Could I remind you that we are open on the Monday the 13th of March from 6pm till 7pm for Fathers to come along and make a Mother's Day card with their child. And we have the school Photographer in on Friday the 24th of March, if your child does not attend on that day, you can come along between 10am till 11am to have their photograph taken.

Have a lovely week

Mrs Edwards head of Pre-school & Nursery
