

Nursery Newsletter

Our topic in nursery will be Spring. In class we will be creating flowers for class display and try to identify some of their features.

Learning Intentions:

- Explore textures using all their senses.
- Combine different media and materials to create artwork.
- Learning new vocabulary linked to class topic.
- Make marks with various writing implements.

Colour, Shape, and number in class will be:

Orange, Oval, and number 5

Can you create a collage at home so we can talk about their work supporting speech and language.

Thank you for your donations of fruit and voluntary contributions towards snack.

Reminders:

Could you please label your children's coats to prevent these from going home with the wrong child.

Next coffee morning will be the 20th of May 10.00am till 12 noon.

23rd of June Inset day

We are looking for parents to join our parent committee, if interested please give your name to Mrs Plowman.

Mrs Edwards Head of Pre-School and Nursery
