

Nursery Newsletter

The children have been amazing again in class this week, they are doing so well coming into school without your support. They are adjusting to the new class routines and class boundaries. In class the teachers are Sharing the memory books you created in the Summer, this allows the teachers to form bonds and build your children's communication skills and confidence.

The topic in class is 'All About Me'. We are creating paper plate portraits of all the children to display in class. This activity will extend their vocabulary and confidence.

Learning Intentions linked to class topic:

- Take part in activity,
- Name some features,
- Introduce new vocabulary.

In the nursery room they have a colour, number and shape of the month. Could you create a collage with your children and bring back into school, so we can talk about their creations and display their work in class. For this month it will be:

Number 1, colour -red and shape -circle.
