

Nursery Newsletter

Visits to the pre-school will begin next week for those children who are moving up in September of this year. There will be no topic in class for the last 3 weeks before we break up for the summer. The children will be having lots of sensory experiences and mark making play.

A gentle reminder, we are a nut free setting, can you please check that you are not putting items into your children's packed lunch that may have nuts or traces of nuts. We do have children who have a nut allergy, so it's vital for their well-being that you check all items.

Finally, I would like to thank everyone for supporting our snack provision with donations of fruit, or a voluntary contribution towards costs.

Last day of Summer term 22nd of July

Mrs. Edwards head of pre-school & nursery
