

Nursery Newsletter

Our topic will continue with the theme Spring. We will be planting seeds and flowers in our class this week. If any of our parents could donate seeds, plants, or compost to support our class topic we would be most grateful.

Learning Intentions:

- Use tools for a purpose.
- Musical movement.
- Combine different media and materials to create artwork.

Children who are moving into pre-school in September will begin class visits next week. Don't forget to buy uniform from us as it's a requirement in pre-school, sensible footwear needs to be worn, not open toe sandals or crocs.

Thank you for your donations of fruit and voluntary contributions towards snack, without your support we could not offer this provision.

Reminders

This will be the last time for library books to go home. All library books will need to be returned before the end of term.

There will be no more coffee mornings now until we return in September.

Please can fees be paid promptly being a charitable organisation we rely on prompt payment to allow us to supply the resources the children need to learn and grow and develop new skills.

Can you remember to apply suntan lotion before you come into school.

Can you, if possible, send your children in with spare clothes as we have lots of water play out in the summer months.

Mrs Edwards Head of Pre-School and Nursery
